HumanCare Russia

November-December 2024

*We wish you a wonderful and blessed Christmas season!*

HumanCare Russia is collecting for a Christmas donation to the congregation in Moscow.. Unfortunately, HumanCare Russia's Christmas Bazaar is canceled this year, as the parish hall, is still under renovation.

That is why we are asking our friends and members in Denmark for a contribution to the Christmas donation. The members of the Russian congregation, completely "ordinary Russians", families with children and the sick, still need support

We already have a smaller donation, but extra contributions this Christmas can make it bigger. We were able to send donations to Moscow via a safe "detour".

## *Greetings and thanks from the congregation in Moscow*

*I år – 2024 – har vi indtil nu været i stand til at sende 2 donationer, som vores koordinator har fordelt blandt de trængende børnefamilier og syge.*

***Tak til alle, som har sendt et bidrag! ♥♥♥♥***

In September, we received an email from a woman who once helped Connie Meyer when Connie was working with her humanitarian program. Most of us get sick during our lives. And this year illness struck Connie's former helper. Medicine in Russia can be very expensive and you have to pay for it yourself. Fortunately, we were able to send help to her along with the other donations. And she wrote heartfelt thanks:

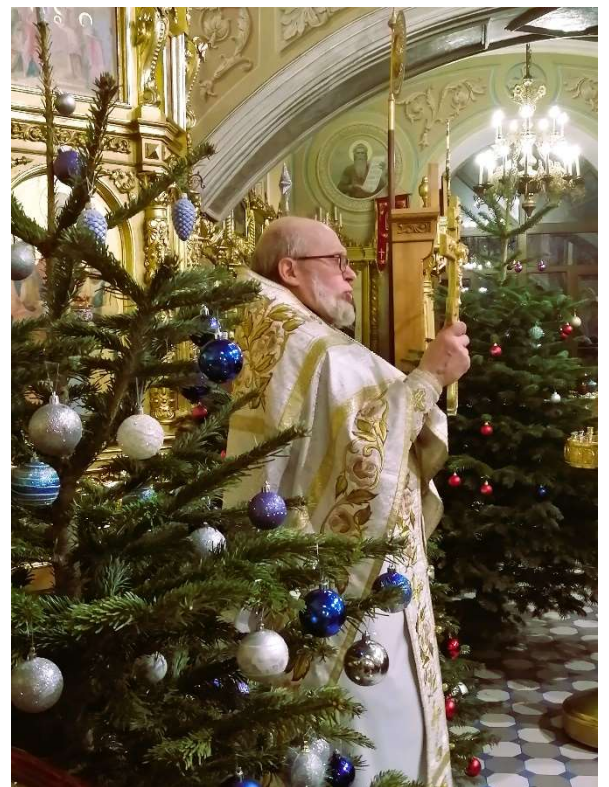

***"Dear HCR, Thank you very much for your help. It's really very significant for me. I am well now. Your "E"***

We also received an email from our coordinator Irina after we sent the latest donation. We are sending an excerpt here

***"We have already finished distributing the donations. I will send the receipts later. We also received very warm words of thanks from our parishioners addressed to the members of the Foundation. I will send them to you along with the receipts.***

***With hope for a bright future.***

***Irina***
